## TRACK PANEL
300.5106.MAL/WH

DESCRIPTION & SPECIFICATIONS

The track is designed with sturdy all-metal construction and is heavy duty enough to store all of your accessories with a clean and attractive look.

SIZE & CAPACITY | 97"

AVAILABLE FINISHES |

Matte Aluminum, White.

$\frac{7}{16}$"

$1\frac{1}{2}$"

$1\frac{1}{2}$"

$\frac{7}{8}$"

$4\frac{3}{4}$"

97 Inch

INSTRUCTIONS & SPECIFICATIONS

STEP 1: Cut the track to desired width and pre-drill screw holes.
STEP 2: Use Painted Install Screws to install into studs. Where studs are not present use 3/16" SnapToggle with screw to anchor.
STEP 3: Finish edges using Edge Profile or End Cap Set.
